Use of Sport Trust Funding + school budget allocation agreed with governors	2015-2016 Sport premium funding: £8617	Impact What impact will this spending have?	Actual Impact (April 2016)
Funding a specialised sports coach to support teaching of P.E. across the school.	Continued provision, 1 day per week plus lunchtime club £4200 (rest funded by school budget)	Specialists identifying and developing competitive sport will improve pupils' learning about sport. The opportunity to broaden skills in sport will enhance children's enjoyment of P.E. as well as building confidence and self esteem amongst those less confident. Working alongside different adults and team working activities will develop children's resilience and adaptability. Improved lesson outcomes in P.E. will ensure that all children achieve well in P.E.	Broad and rich curriculum being taught, planning evidences skills based learning. Increased success & participation in inter-school competitions and sports clubs evidences the improvement in skills. Children's responses from pupil audit evidence their enjoyment and development of confidence including recognition of active and healthy lifestyles. Staff CPD is improved through observation of coaching staff.
A specialist coach to run an after school multi-sports club	1 hour after school club £540	Positive attitudes towards healthy and active lifestyles will be developed further. An increase in the number of children participating in extra-curricular sporting activity. Increased participation in sport will support children in developing healthy lifestyle choices as they grow up.	A greater number of children across both key stages are attending extra-curricular sports activities. Children are experiencing an improved range of sports to develop their attitudes towards healthy and active lifestyles.
Swimming coaches/lessons	10 weeks summer term £430	Improved confidence and safety in and around water with all children achieving (at least) the minimum basic requirement for swimming. school to swimming lessons	£1400	develop skills for life and will benefit from increased self esteem as success in swimming is rewarded back in school. Pupils will develop a confidence in water that allows them to enjoy swimming for recreation but also (for some) in a competitive environment. ALL children will have opportunity, in every year group in school, to take part in swimming lessons which ensures they have access to all the benefits.	swimmers from Years 4, 5 and 6. An increased proportion of children attend out of school swimming lessons to support lessons within school (pupil audit). Individual achievements regularly celebrated in whole school assemblies. All children from Reception-Year 6 booked to swim for 5 week block in Summer term. Less able Year 6 pupils funded for 10 weeks.
Provision of transport to competitive events off site	Coach for 4 visits £305	To enable the school to be represented at competitions with the cluster and further afield. Full school participation in sports competitions and events around Shropshire.	Children have become increasingly keen to represent the school at sporting events, which has in turn resulted in an increased number of children choosing to participate in after school sports clubs. This then results in a greater level of fitness and health in the children at St John's.
P.E. co-ordinator CPD	1 1/2 day supply cover £100	Increasing co-ordinator knowledge and confidence to facilitate outstanding provision for P.E. will ensure that outcomes across the school for all pupils in P.E. are improved. 		particularly for boys, the development of the forest school into KS2 will support cross curricular learning and develop a love of the outdoors to all children. It will also be used to raise self esteem and resilience through a variety of activities provided by competent leaders.	lifestyles. It has promoted a positive attitude to an active, outdoor life and learning.
Links with cluster schools and beyond are being explored	£400	By linking with other schools, the children will develop their social skills and confidence in unfamiliar surroundings. They will be able to share their love of a sport in a safe environment. Through shared links, more sport can be offered either on a competitive or a friendly basis to support a raising of achievement for the children across the school.	PE Co-ordinator works closely with cluster schools to provide a greater range and number of competitive situations across a variety of sports. This includes A and B level competition, plus mixing teams to allow boys / girls from different schools to work together and win places at higher level competitions (Level 3) .
Sports partnership with Corbet school	£500	Improve the quality of P.E. teaching within the school. • To further embed competition as a part of school sport. • Provide additional opportunities for all pupils, such as through the crosscountry tournament. • To share pooled resources where possible.	PE coordinator analysis shows greater involvement in sporting activities. Success for pupils in a number of competitions
Membership of the Youth Sports Trust	£200	Access to online tools and resources to increase teacher confidence and ability in planning and delivering high quality P.E. • Support from a Regional Development Manager and national programmes • Access to CPD sessions for teachers and TAs to increase	Success in various sporting activities as well as support for subject co-ordinator.
