

Oliver's Vegetables

Home Learning Challenge

Make a diary to show all of the fruit and vegetables you eat in one day. You could draw pictures or write a list.

Can you find out about a fruit or vegetable that only grows in other countries? You could look in books, on the Internet or talk to a grown-up to find out. Write down a fact to share with the class.

It is hard work looking after a vegetable patch. Draw and label some pictures to show what you think Oliver's grandad had to do to grow his vegetables.

Make a fruit or vegetable themed picture. Some ideas are to make a collage, colour with crayons or maybe print with paint.

At the beginning of the story, Oliver only liked to eat chips and French fries. Talk to a grown-up about why this isn't a healthy diet. What sort of things do you need to eat and drink to make sure you have a healthy diet?

Oliver's grandad grew 9 carrots. Oliver ate 3 of them. How many carrots were left? You could draw pictures or use your fingers to help you work out the answer.
