	Position and direction

**Science:**

**Classification:**

We will learn about the variety of living things and how they can be grouped according to shared characteristics. We will also use and construct keys to identify unfamiliar animals and plants.

**Plants:**

We will carry out a long-term investigation of the factors that affect the growth of plants, observing and measuring plants for the course of the unit. We will learn about the main functions of the different parts of a plant and study the life cycle of a flowering plant, including studying the structure of a flower and the different methods of seed dispersal.

**Computing:**

In computing this term we will be continuing to learn how to programme sounds. We will also be learning about Desktop Publishing and we will also have a focus on internet safety.

**Our Topic Is...**

*ANCIENT GREECE*

**Art:**

In Art this term we will be learning about Greek art, in particular Greek sculpture and Greek patterns. We will be making our very own Ancient Greek clay pottery.

**Geography/History:**

This term, we are looking at the country of Greece. We will compare it to the United Kingdom before focusing on the life and legacy of the Ancient Greeks.

**D&T:**

In Design and Technology this term we will be studying a food unit. We will be designing and making our very own salads. We will learn about the variety of different salad types that there are, the origins of them and the ingredients they contain.

**PE:**

Our PE this term will be Rounders/Cricket on a Tuesday and starting on the 28th April we will be swimming on Fridays.

**French:**

Weekly session with specialist teacher (outside agency) every Tuesday.

**R.E:**

In R.E this term, we will be studying two units of work.

Our first unit will be 'When Jesus left, what was the impact of Pentecost?'

Our second unit of work will be 'How and why do people mark the significant events of life?' which will evolve learning about different rites of passage and different celebrations within people's lives.

**Music:**

Weekly music lesson and Key Stage 2 singing session with Shropshire Music Service teacher on a Wednesday.

**PSHE:**

In PSHE we will be focusing on Health and Wellbeing. This will focus on the following areas: Healthy Lifestyles (physical and mental health), Growing and changing (including sharing aspirations for the future, recognising how images in the media and online can be perceived). Finally, during the second half of term, we will be covering work from our RSE (Relationships and Sex Education) unit using Shropshire's Shropshire Respect Yourself: Eat Better, Move More, RSE programme.
