

17<sup>th</sup> April 2023

Dear Parents,

We hope that you have had a lovely Easter and that you are all excited to be back in school for the final term of this academic year! We're all very excited for the coming term with lots of fantastic topics planned, Arts Week, Sports Day, the King's Coronation celebrations and lots more to look forward to.

We've got some exciting topics planned for this term including "On the Farm", "Under the Sea" and "Superheroes". Further information can be found on the A3 topic overview provided separately.

We hope to take the children on a visit to The Blue Planet Aquarium to aid their learning on our topic "Under the Sea". More information will follow on this.

Please make sure that all of your child's clothing and belongings are clearly named. Children can bring a bottle of **water** to school each day (reusable please) and come to school ready in their PE kit on Wednesdays and Forest School clothing on Tuesdays.

Homework, reading books and spellings will be sent home each week. Please try to ensure that you listen to your child read at least 4 or 5 times a week. We're so impressed with the level of engagement with reading at home this year and it really has made such a huge difference to the children's progress so a big thank you to you all for supporting your children at home.

The children's written school reports will be sent home towards the end of term. In the meantime, if there is anything that you would like to discuss, please make an appointment to speak to one of us or send us an email. Please also keep an eye on your child's learning journey on Tapestry for updates on how your child is getting on. We love to see what your children have been busy doing at home too so please do update Tapestry with your own observations.

Mrs Katie Farmer, Mrs Jen Pearce (Class Teachers)

Mrs Fiona Grogan (Teaching Assistant)
