

PE and School Sport

Key achievements to date (end of year 2022-23)	Areas for further improvement and baseline evidence of need in preparation for 2023-24
<ul style="list-style-type: none"> - St John's retained the 'Platinum Award' from the School Games initiative for our sustained commitment, engagement and delivery of school sport and competitive opportunities. - Continued strong results for our end of year swimming data for Year 6 (we continue to attribute this to our effective provision of lessons to all children Reception-Year 6 plus booster lessons for those in need at Y5/6). This was also recognized by specialist teaching staff at Oswestry Leisure Centre (Karen Rogers) who commended the school for its continued excellence in behaviour and learning, year on year. - 2 hour-offer for PE is met with one-hour delivered by specialist coach for all children - Continued success and participation at Level 1 & 2 competition in local area - Pathways for children with higher ability to pursue their sport e.g. pupils attending county level football trials and clubs - Varying opportunities for a range of extra-curricular clubs have been provided - A Forest School site is used regularly for curricular and extra-curricular provision with qualified leader appointed to the school. - 100% of KS2 pupils represented the school at an inter-school event 	<ul style="list-style-type: none"> - Development of curriculum including knowledge organisers to support improvement of the quality of teaching and learning - A large proportion of the new Year 6 have transitioned during Year 4/5 to St John's, therefore teaching and learning will need to focus on progression for all, filling gaps in knowledge and, in particular, swimming as not all of the children have received annual swimming lessons since Reception. - To develop pupil voice in the delivery of PE and School Sport, including focus on: do our children know more, can they do more? - Review our extra-curricular provision through the 'lens of gender' (Platinum school award).

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
-

There are 5 key indicators that schools should expect to see improvement across:

- maintaining and growing your school's engagement in the School Games and your delivery of the Chief Medical Officer's (CMO) 60 active minutes for every child or 20 minutes for SEND young people.
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils; delivering and engaging in competitions that has clear intent and creates positive experiences based on the motivation, competence and confidence of your young people that need support most.
- increased participation in competitive sport whilst supporting the personal development of targeted young people through youth engagement and leadership.

Current Swimming data for Year 6 cohort 2023-24

(Lessons due to take place in Summer Term 2024)

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	75 % (9/12 as of September 2023 based on Y5 data)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	58% (7/12 as of September 2023 based on Y5 data)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	TBC
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes – 3/11 received booster lessons in Summer 2023 as Year 5s, therefore receiving 10 hours of funded teaching

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

For the academic year September 2023 to July 2024 the school will receive £16,709 in Sport Premium Funding

PE & Sport Premium Key Outcome Indicator	Strategy	Cost	Monitoring	Intended impact	1. Percentage of allocation spent, 2. Sustainability 3. next steps
<p>The engagement of all pupils in regular physical activity.</p> <p>Broader experience of a range of sports and activities offered to all pupils</p>	<p>Active travel promoted for children and families</p> <p>Bikeability and road safety training</p> <p>Bikes for KS1</p>	<p>£500</p> <p>£200</p>	<p>JB</p>	<p>Children will know how and be able to travel safely to school on bikes; road safety training provided for older children.</p> <p>Road safety for pedestrians for all KS2 and Year 2 children. Through promotion, more children to travel to school without using cars therefore improving healthy lifestyles.</p> <p>By purchasing bikes, KS1 children will be able to access cycling as part of their active lifestyles in school.</p>	<ol style="list-style-type: none"> 4% Look at School Councils monitoring and campaigning School councils to evaluate success
<p>Increased knowledge, confidence and skills of all staff in teaching PE.</p>	<p>Employment of PE Teacher (specialist from local secondary) to deliver 1 x hour per week.</p>	<p>1 day per week plus after school club</p> <p>£5600</p>	<p>JB</p> <p>All teaching staff</p>	<p>Specialists identifying and developing competitive sport will improve pupils' learning about sport.</p> <p>The opportunity to broaden skills in sport will enhance children's enjoyment of P.E. as well as building confidence and self esteem amongst those less confident whilst developing healthier lifestyles.</p> <p>Working alongside different adults and team working activities will develop children's resilience and adaptability.</p> <p>Specialist teaching in P.E. will ensure that all children achieve well in P.E.</p> <p>Support with transition to Corbet for many of our children.</p>	<ol style="list-style-type: none"> 34% Look at opportunities for staff to observe teacher for CPD.
