

Research Resource

Use books or the internet to research the different fruits and vegetables and see if you can discover whether they grow above the ground or are root vegetables and grow below the ground. Write **above** or **below** next to each name.

Challenge: Can you find out any extra information about the fruit or vegetable?

Cauliflower above
Cabbage
Strawberries
Beetroot
Onions
Apples
Plums
Broad beans
Blackberries
Rhubarb

Gooseberries
Celery
Lettuces
Carrots
