## Bomere and the XI Towns Federation Knowledge Organiser - Computing

**Topic: Online Safety** 

**Class/Year Groups: Dragonflies** 

SELF-IMAGE AND IDENTITY

What you will learn:

-Your identity is who you are. It

about you!

includes your name, what you like,

your family and friends, everything

People can take steps to change or

hide their identity online.

-Some people do this to keep

Term: Rolling

## What you already know?

There may be people online who make us feel sad, embarrassed, uncomfortable or upset. If you see or hear something that could make someone feel like this, tell a trusted adult.

When someone asks you for something online, you have the right to say 'no' or to ask someone first

We should use simple key words in order to find information.

The information that we put online can stay there for time.

We should save our work with a suitable title/ filenan people know it belongs to us.

-Some of our information is personal to us

and should not be put online without the

nformation that we put online can stay

-Sometimes, information that is put online

is difficult to delete and can be copied and

-Information that is personal to us includes

our full names, our address, our email

address or our telephone number. You

something personal to you has been put

Never share your full name or address

should let a trusted adult know if
