

English

This term in English we will be developing our writing skills using the books 'Goldilocks and Just the One Bear' and 'A Midsummer Nights Dream'. In our guided reading sessions, the Year 2s will be reading 'The Lost Fairy Tales'. The Year 1s will follow the guided reading in the Rising Stars Phonics scheme.

PSHE

We will be thinking about our health and wellbeing. We will be thinking about how to keep our minds and bodies healthy. We will also be thinking about what happens to our bodies as we grow up.

PE

We will be developing our athletics and bat and ball skills. We will also be swimming on a Friday for the first half of the term.

Art, Design & Technology

In Art, we will explore the collage through the work of the artist Paul Klee. In Design & Technology, we will be designing and creating our own castles

Music

Mrs Kessel-Fell will be teaching us to get musical with flower music and story songs.

Maths

This term in Maths the Year 1s will be learning about multiplication and division, fractions, position and direction, place value, money and time. The Year 2s will be learning about fractions, time, statistics, position and direction.

Turrets & Tiaras

Geography

This term we will be learning about local castles and the battle of Shrewsbury. We will locate Shrewsbury and Battlefield. We will think about Shrewsbury is like today. We will learn about map symbols and locating things on a map. We will also learn about aerial views and different types of maps

Computing

We will be creating digital music. We will explore how music can make us think and feel. We will make patterns and use those patterns to make music with both percussion instruments and digital tools. We will also create different rhythms and tunes.. Finally, we will share our creations and compare creating music digitally and non-digitally.

Science

This term in Science we will be learning about plants. We will learn what plants need to stay healthy. We will have the opportunity to carry out our own investigations into what plants need to grow well. We will also closely observe the inside of a seed and learn about the life cycle of a plant. We will also learn how plants look when they don't get the things they need.

History

This term we will be looking at 'Who was Queen Elizabeth I?'. We will learn about what life was like in the Victorian and modern Elizabethan era. We will also compare the similarities and differences between these eras. We will think about what daily life was like in these eras. We will learn about what a monarch is and think about the impact they have on our lives.

RE

We will be thinking about 'What makes some places sacred for believers?' We will think, talk and ask questions about what happens in a church, synagogue or mosque, saying what we think about these. We will also talk about what makes some places special to people, and what the difference is between religious and non-religious special places.
