

3rd September 2025

Dear Parents,

Welcome to Hedgehog Class! We hope that you have had a lovely summer and that your child is excited about the new friends they will make and the fun they will have learning lots of new things together.

We have some interesting topics planned for this term, including 'All About Me', 'Harvest' and 'People Who Help Us'. Further information can be found on the topic overview provided separately on the Hedgehog Class Information page.

We hope to take the children on visits within our immediate local area and to have special visitors to talk to the children too. Both experiences will enhance the children's learning and provide a stimulus for discussion and exploration.

A little housekeeping...please make sure that all of your child's clothing and belongings are clearly named. Children can bring a bottle of **water** to school each day (reusable please) and come to school ready in their PE kit on Mondays and Forest School clothing on Tuesdays.

Homework and reading books will be sent home each week once the children have settled in and got used to our class routines. All you need to know about these things will be sent home with them once they begin.

We will be holding a parents evening in October to discuss how your child has settled into class and for us to begin to work together to provide the best for your child.

In the meantime, if you have any questions or are unsure about anything, please ask one of us at the school gate. We are always happy to talk to you and no question is too silly or too obvious so please ask.

Mrs Katie Farmer & Mrs Kate Gregory (Class Teachers)

Mrs Leeanne Dyke (Class Teaching Assistant)
